

It was a fairly quiet day at work. I caught up with our Technology Specialist and a few other people. We had several students in the office while the principals sorted out incidents from Friday and today. This evening I bought 2 new strings of lights and got them put in my sunroom windows. I relaxed and watched "Little People, Big World" and "Heroes" this evening.

p.s. digging this album so far.

God With Us

By MercyMe

Who are we that You would be mindful of us what do You see that's worth looking our way
we are free in ways that we never should be sweet release from the grip of these chains like
hinges straining from the weight my heart no longer can keep from singing.

[chorus]

all that is within me cries for You alone be glorified Emmanuel God with us my heart sings a
brand new song the debt is paid these chains are gone Emmanuel God with us.

Lord You know our hearts don't deserve Your glory still You show a love we cannot afford
like hinges straining from the weight my heart no longer can keep from singing. [back to
chorus]

Such a tiny offering compared to Calvary nevertheless lay it at your feet. [back to
chorus]
