

It was a good Saturday. I slept in a little. I had some quiet time and breakfast. I did some laundry, the dishes and some cleaning. I caught up on some shows on my DVR (Lost, Ace of Cakes & NCIS). I went to Bible study this evening and Mark Kemp shared. It was a fun time. Now I'm sitting here in my sun room watching it rain and getting ready to head to bed. I love to hear it rain when I'm going to sleep!
