

It was a busy day. I got to work and started working on attendance and payroll. I got payroll done and a good start on attendance. Then I headed over to our district office for a 2 hour meeting. It went well but we crammed a lot in to it. I got back and ate a quick lunch. I spent the afternoon doing discipline, testing, and other data entry. This evening I met up with Dan Cubino for our regular accountability time. It was good to share with him and I was really encouraged. Near the end John Cobb came and we had a good time hanging out. I stopped by Food Lion on the way home and picked up a few things. I took it easy this evening and watch "Little People, Big World" and some Food Network.
