

Everyone's happy on the bus

We headed out from RDU to Miami to Cartagena to Bocachica.

Sun over Bocagrande

It was a long day but so good to be heading back to [Proyecto Libertad](#) the mission in the island community of Bocachica. We had a team of 20 with most of us returning. This was my 4th trip.

Supper the first night

We had a great supper and had a great time re-connecting with staff and meeting the new staff.
