

Their Bio:

Our music is Folk-orchestral combining elements of alternative folk with classical sensibilities. We utilize Banjo, Mandolin, acoustic guitars, shakers, bells, goat toenails, tambourines, a kick drum, a pump organ, cello, violin, three part harmonies, wind wands, and anything else that makes music interesting and beautiful. Our live performances are dynamic and captivating.

Go listen now: <http://www.facebook.com/TheLastBison> I can't wait to get their CD!
