

Inheritance EP

Music Lovers,

[The Last Bison](#)'s first studio project under a label (Republic Records, Universal Republic) is out. It is called Inheritance. The EP contains 3 songs from their independent release Quill and one new song. Please support the band and buy the EP, leave your iTunes and Amazon reviews, check out their [tour page](#) in see them in person (it is a great show) and encourage the band. Join the Herd!
